Sunday, May 12, 2019

Introduction:

"The greatest enemy of the Bible is the so-called Christian who simply ignores the Bible or disregards it."

Dr. Adrian Rodgers

Bible Study: *The Bible is the Word of God because of its...*

1. _____ accuracy
2. _____ accuracy
3. Wonderful _____

Conclusion:

- The Bible is not a science book. It was not written to tell us how the heavens go; it is written to tell us how to go to heaven.
- The Bible is not a history book. It is "His Story," the story of God.
- You will never be a great Christian until you come to the unshakable conviction that the Bible is the Word of God.

Discussion:

- Why don't we study God's Word like we should?
- What do you do that is more important than studying God's Word each day? (See Psalm 19:7-11.)
- Has there ever been a time when your faith in God's Word has been challenged?
- What changes would you have to make to designate 30 minutes each day for the study of God's Word?
