

The Bible is inspired, inerrant, and sufficient  
for everything we need.

Introduction:

*If the Bible is not true then the Christian faith crumbles.  
Everything we believe depends in the accuracy of God's Word.*

Bible Study: 2 Timothy 3:16-17

1. God's Word is \_\_\_\_\_
2. God's Word is \_\_\_\_\_
  - Psalm 12:6; 19:7; Proverbs 30:5
3. God's Word is \_\_\_\_\_

Conclusion:

- It is inconsistent to claim that the Bible is without error, but does not provide enough guidance to handle the really serious problems of life.
- The Bible clearly claims to be sufficient. It would be in error if it were not!
- Therefore, if you believe that the Bible is inerrant, you must conclude that it is also sufficient for whatever problems you are facing in your life.

Discussion:

- How should this teaching impact our attitude toward the Bible?
- What would you say to someone who makes the claim that the Bible is full of errors?
- How would you know where to go in the Bible for specific issues you might be facing?
- How should this teaching influence the advice and counsel we give to others?
- What problem are you facing that you need to investigate God's Word for His solution?
