

Announcements for this Sunday, December 27

1. ICE BREAKER: I don't have a concrete idea to share with you, but you could do something humorous with New Year's Resolutions. Think of resolutions that you would have never had before 2020. Examples:
 - a. Maintain a three-month supply of toilet paper.
 - b. A good goal: Sit next to someone in church.
2. Christmas Offering – continue to promote. This offering will allow us to minister to church members in need, as well as our missionaries.
3. Grab a sampling of the Bible reading guides from the foyer and share them with your group. Encourage them to commit to start each day with the Bible on their lap in 2021. Maybe even share what your plan will be this coming year.
4. Next Sunday, January 3, start the year off right by being in church! We will have a special lesson that will present a special opportunity.

Merry Christmas!
