

SUNDAY SCHOOL

TEACHER'S MEETING NOTES

PREPARING FOR 12/26/2021

QUICK HIT ITEMS

- Sunday's Lesson: Hebrews 6:13-20. Make sure to watch the video!
- Keep this week's SS hour loose! People will be tired so feel free to relax. I give instructions on the video for how to simplify the lesson.

UPCOMING PROMOTIONS

- Christmas Offering: still time to give
- Family Worship Day: Today is another family worship day. Please remind parents of children 4k thru 5th grade to pick up their kids after SS.
- Promote Next Sunday: Start the year off right by being in church! Preacher is working on a special message that will get us thinking in the right direction for a new year. We will also have a special SS lesson. (Maybe plan some food for your class?)
- New Year's Eve Party with No Regrets: This Friday night our RU ministry is holding a city-wide event from 7-9 at the Downtown Amphitheater. Live music, life-changing testimonies, and a message by Corbett Stone. Come out and support this critical ministry of FBT!

MERRY CHRISTMAS!
