NOTES

We had another solid day this past Sunday! The best part: the atmosphere was right! I firmly believe that the right atmosphere is the result of God's people praying! Here is what we need to pray for daily as we prepare for each Sunday:

PRAY FOR SUNDAYS:

- The presence and power of the Holy Spirit
- For our Pastor as he prepares to preach
- Pray that your heart will be revived!
- Pray for your preparation and your teaching.

THOUGHT:

Being a great teacher can be considered a contact sport! Our effectiveness is dependent on the relationships we have with our people. How much time are you spending with class members during the week? When there are not specific needs, strive to spend time getting to know your people. As you grow to love them, and they grow to love you, your teaching will have a greater impact on Sunday mornings.

Relationships mold the environment of the class, and the environment of the class shapes the results of the class.
