ONE MORE LOOK AT SUMMER 2025

Last year's Summer High Attendance Day: 1257.

Last year's ***Friend Day*** was only 1301.

We have never had a better summer high attendance day than a Friend Day.

Since COVID, the only SS day that has had a higher attendance than Beat the Heat '25 was Friend Day in 2022 (1374/882).

The worship service attendance average jumped 43 this summer!
