ADULT OUTREACH STRATEGY

1. Regular Class Emphasis on **Evangelism**: Teachers are expected to keep evangelism on the front burner in the regular events of the class (promotions, lesson applications, prayer requests, etc.).
2. Systematic, strategic and managed **visitation** by teachers and division leadership.
 - a. Systematic: Teachers are intentional in their visitation.
 - b. Strategic: Each week the leadership should determine which urgent and strategic visits need to be made for the upcoming week.
 - c. Managed: It is the job of the Division Leader to manage visitation weekly by tracking who is visiting, why they are visiting and leading in directing visits when necessary.
3. Big **Days**: The church has four big days each year that help produce visitor flow. They are Winter High Attendance Day, Easter, Summer High Attendance Day and Friend Day. For each event, we work a specific strategy in the weeks leading up to the big day.
 - a. 6 weeks out: We begin promoting the day heavily on Sunday mornings.
 - b. 5 weeks out: We begin asking people on Sunday mornings to commit be present for the upcoming day.
 - c. 4 weeks out: We visit the members of the Core and Ministry groups who have yet to commit to be present.
 - d. 3 weeks out: We conduct doorstep visits on the Touch Group members.
 - e. 2 weeks out: The church mails postcard reminders to the entire enrollment and prospect list.
 - f. 1 week out: Teachers are encouraged to make 2 or 3 visits that they feel will make a difference for the upcoming Sunday.
 - g. 1 day before: 100% contact of the enrollment by phone.
4. **Summer** Churchwide Visitation: We encourage classes to plan three specific Mondays during June, July and August to come to Monday night visitation as a class to help with that summer's program (New Move or Streets).
5. **Fellowship** Strategy: We encourage teachers to have 3 or 4 activities a year where the stated purpose of the activity is to invite our lost and unchurched friends.
